

CEDARVILLE CONNECTION

Sept. 17, 2014

Visit us on the web at www.EACS.k12.in.us

Our mission at Cedarville Elementary School is:
To build a solid academic foundation and develop fundamental skills that will lead our students into a lifetime of success.

From the desk of the Principal...

Parkview volunteers, community workers, teachers, parents, and over 190 third graders from Cedarville Elementary School enjoyed the 7th Annual Parkview

Kids' Safety Camp on Friday, September 26th. Making this event memorable for students were Parkview North and Parkview Health co-workers, along with members of Northeast Fire & EMS, the Allen County Department of

Child Services, the Allen County Sheriff's Department, the Parkview YMCA, student nurses from IPFW, Parkview Pharmacy, and numerous other volunteers.

At fourteen learning stations, students interacted with healthcare professionals and first responders. Students practiced CPR and the Heimlich maneuver, experienced what it was like to get out of a burning building in the Fire Safety House, discovered hand-washing techniques and the germs left behind (while looking under a

black light), and good vs. bad touching. They had their oxygen level checked and found out about just what you might see if admitted into the ER. In addition, they learned backpack safety and the strain train on a person's back, what medications are, and how can you tell the difference between candy and medication. Students also learned when to call 911, how to make healthy food choices, bicycle safety and the importance of wearing a helmet, water safety and the importance of life saving equipment, and first aid. Finally, students had the opportunity to tour a ladder truck and EMS ambulance, as well as review all of the important equipment that is used. During the full day event

Parkview Hospital provided snacks and lunch to all, each

student received a t-shirt, and every student kept a log of at least two things they learned in each station.

Thanks to all of the individuals and organizations for providing their time, energies, equipment, and expertise!

Help Support Leo Jr/Sr High School Band...

Market Day offers frozen delicious convenient food. To see a wide variety of products go to www.marketday.com.

All orders via the website should be placed by Monday, October 6th. Pick up will be Friday, October 10th; 4:30pm at Leo High School, door 4. Profits from Market Day will benefit the Leo Jr/Sr High School Band. The Leo Band account number is 10054.

Watch for a Market Day Flyer to be sent home with your child.

Cedarville Elementary Takes the "Mad Ants Get Fit Challenge"...

Cedarville Elementary and the Fort Wayne Mad Ants are partnering in the "2014-15 Get Fit Challenge"! Garrett Martz and The Mad Ant visited Cedarville Elementary to kick off the challenge with students and teachers. For 30 days at 30 minutes a day, students and staff are choosing exercise activities before or after school. Students will meet the challenge while recording their daily activities. Students use an activity log to keep track of their progress. Students and teachers who complete the challenge will earn a free ticket to the Mad Ants first home game!

In 2012-13 Cedarville Elementary was the top school in the area to accept the challenge. Cedarville received a

\$1,000 prize to be used for fitness, athletic, or health education equipment. After taking last year off, we are back to show all

schools in the area just who is the healthiest!

BOX TOP\$ for Education Contest Kick-off...

October 1st will be the kick-off of our **BOX TOP\$ for Education** contest that will run through October 24th!

Remember – only box tops submitted between October 1st and October 24th qualify for this contest.

If you have time, it is greatly appreciated if you could clip the box top out neatly around the edges, but we'll take them any way you send them!

Thank you very much for your support!

Introducing NED...

Cedarville Elementary was visited by NED last week. You may ask "just who is NED?" NED is the star of The NED Show, a school character education program with a loveable cartoon character whose name is an acronym for ...
Never give up,
Encourage others, and
Do your best.

Using humor, storytelling, audience participation and amazing object lessons (including yo-yo and magic tricks) students learned through the adventures of NED the importance of being a friend, achieving excellence, being positive, taking responsibility, preventing bullying and much more.

You can learn more about NED at this website.

Fire Safety...Do You Know How to Stay Safe?...

Students in grades K-2 were visited by Northeast Fire and EMS to learn about Fire Safety

and Prevention. Here are some of the topics they shared.

- What to do if your clothes catch on fire.
- Don't play with matches & lighters.
- Check smoke detectors.
- Home fire escape drills.
- Don't play with firearms.
