Our mission at Cedarville Elementary School is:
To build a solid academic foundation and develop fundamental skills that will lead our students into a lifetime of success.

From the desk of the Principal...

Congratulations to our 1st, 2nd, and 3rd Grade Sport Stacking Winners!

Teacher Feature

Spotlighting Mrs. Buroff, Second Grade Teacher...

We have recently celebrated Thanksgiving, and I'll do what I asked my class to do – write down Thanksgiving thoughts.

- I'm thankful for my parents who made it possible for me to get my education at Ball State University.
- I'm thankful for my husband of 38 years, 2 sons, and a grandson.
- I am also blessed to have my in-laws living near.
- I feel fortunate to have a job in education, and I am proud that I have spent the past 38 years working with young children in East Allen County Schools (Harlan, Woodburn, Southwick, Leo, and now Cedarville). Cedarville Elementary is a great place to work because of the teachers, support staff, children, and parents. A special treat is crossing paths with former students who are now parents of children here at Cedarville and in some instances teaching their children.
- I'm thankful for the curiosity of young children and their desire to learn about the world we live in.
- I'm thankful for how technology is making the world appear in our classrooms on the SMARTBoard and iPads.
- Lastly, I'm so thankful for my health that allows me to enjoy activities with family and friends and, of course, those 18 holes of golf in the summer!

KidsFit Update...

For those students participating in KidFit: There will be NO KIDSFIT until after the first of the year. Watch for more information to come your way about the 2013 schedule.

Food for thought...

I like nonsense. It wakes up the brain cells. Fantasy is a necessary ingredient in living. It's a way of looking at life through the wrong end of a telescope, which is what I do, and that enables you to laugh at life's realities.

Labels for Education Contest...

Start saving those Labels for Education! Our school can earn points to purchase educational merchandise through this amazing program. This year we are going to try something new and have a contest in January. Whatever classroom brings in the most Labels for Education points between January 14th and January 25th will win a party! Start collecting now! Attached is a flyer of all the participating products. Thanks for helping our school!

In the spirit of giving...

Our annual Holiday Food Drive is now underway!

Please become a part of this wonderful tradition by bringing non-perishable food items to place under the Christmas tree in the school's front entrance. Canned meats/fish (such as canned beef, tuna, or sardines), canned fruits or vegetables, dry goods, soaps, shampoo,

deodorant, laundry products, and paper products will be accepted.

All items will be donated to the Leo United Methodist Church for distribution through the Associated Churches of Allen County Food Bank. **Collection ends Wednesday, December 19th.**

Your generosity is greatly appreciated!
