FAQ: Beginning the 2019-2020 School Year

Welcome to the 2019-2020 school year with Cedarville Elementary. If this FAQ does not answer your questions, you are greatly encouraged to go to our website at http://cdv.eacs.k12.in.us/ and browse through our menus. Please take time to review the Cedarville Elementary Student-Parent Handbook, as well, at http://cdv.eacs.k12.in.us/. It is the most valuable tool to answer many of your questions.

Q: What is the difference between enrollment and registration?
A: These words have sometimes been used interchangeably. An example would be Kindergarten Registration in the spring, which is actually Kindergarten Enrollment.

Enrollment is the process where parents complete school paperwork and provide proofs of residence, a copy of a birth certificate, and immunization documentation. If your child attended Cedarville Elementary School last year, he/she is already enrolled. All families that did not finish last school year at Cedarville must go through the enrollment process before they can register.

Registration is a yearly process for updating information. All families must do registration on-line each year before the child can attend. (Think of it as taking the place of those five little green cards that were always sent home to be filled out and returned.)

Q: If enrolling my child into school, what qualifies as proofs of residency?
A: Listed below are documents EACS will accept as proof of residency. Each item must be dated within 30 days, show the parent/guardian’s name, and address of residence. Two items from the list below are required:

- Computer-generated bill issued by a utility company (water, sewer, gas, electric, or trash)
- Computer-generated bill issued by a doctor or hospital
- Letter or check stub from any governmental agency (Examples: Social Security, Medicaid, WIC, Food Stamps, Bureau of Motor Vehicles, Voter Registration, property tax bill, child support, etc.)
- Court documents
- Lease printed on letterhead from an established apartment / mobile home leasing office with a contact name and phone number. Hand written leases or those printed from the internet are not acceptable.
- Mortgage document or statement

NOT accepted as proof: cell phone bills, cable bills, magazine subscription notices, solicitation mailings, items mailed to a PO Box, etc.

If you are unable to provide at least two of the documents listed above, please contact the Office of Student Services at 260-446-0289.

Q: When are Registration Days at Cedarville Elementary?
A: Registration days have been set aside for...

- Wednesday, July 31, 12:00 noon – 7:00 p.m.

Our mission: To build a solid academic foundation and develop fundamental skills that will lead our students into a lifetime of success.
Thursday, August 1, 8:00 a.m. – 12:00 noon
Please understand that these dates and times are specifically set aside so that Cedarville office staff may lend assistance and answer questions. These are also the dates/times when our computer lab is available for those without internet. Staff will be on hand to help families walk through the electronic registration process.

Q: What is the purpose of registration?
A: Other than the simple answer of letting the school know that you are sending a child to Cedarville Elementary for that school year, it is important to review and update personal/family contact information, review and update emergency information, complete financial assistance forms for book fees and breakfast/lunch, approve the media waiver allowing the school to post pictures online, approve field trips for your child, and more. **As required by the Indiana Department of Education, please understand that a child is not admitted into school until he/she is registered for that school year. It is NOT simply a matter of the school rolling information over from the previous year.**

Q: Must I register my child on-line?
A: YES, all students should be registered before they begin school. Since on-line registration is the only option, please make sure that you have it completed. If you are the parent of a returning Cedarville student or a Kindergartner enrolled in the spring AND you have internet access, the district-wide on-line registration process provides a quick and convenient way to register your child or children through PARENT ACCESS. On-line registration must be completed between Thursday, July 25 - Friday, August 9. Login to Parent Access at [https://rds03.eacs.k12.in.us/RDSParentAccess/](https://rds03.eacs.k12.in.us/RDSParentAccess/)

Q: What is Parent Access?
A: Parent Access is the connection by which families register a child. Parent Access is also the website where parents have access to student data. Parents are able to view student schedules, attendance records, disciplinary incidents, transcript data, standardized test scores, emergency information, pay student fees and view lunch account balances. Activation codes may be obtained from the school. Instructions on how to set up your new Parent Access account can be found under "Parents" then selecting "Set-Up Parent Access Account" from within the EACS main website.

Q: How do I obtain a user name and password for Parent Access?
A: If you already have an active user name and password for Parent Access, it will remain the same as in the past. If you are new to EACS and do not have a user name and password OR it has been inactivated because you did not view for a long period of time, you can receive a new activation code during Registration Days at Cedarville. From that point you can create a user name and password that you would recall.

Q: I do not have internet access at home. How do I complete on-line registration for my child?
A: If you do not have internet access or you simply have questions/need help about the on-line registration process, the computer lab will be open during Registration Days at Cedarville.

Q: If we register our child on-line at home or another location, will we need to come to Registration at Cedarville?
A: **No,** HOWEVER, our school nurse and food service staff will be available during registration for you to submit your completed goldenrod Student Emergency Information Sheet, Kindergarten Health Packet (if applicable), and/or student breakfast/lunch prepayments. Also, this is the time that class lists will be posted in the hallway near the office.
Q: What documents or information do we need to bring if we register our child in the computer lab at school?
A: If you wish to come to the school to register on-line instead of doing from home, parents of all students (new and/or returning to Cedarville) should bring the following to help complete forms:
  o Emergency contact information, including names and phone numbers;
  o Your User Name and Password for Parent Access, if you already have one.

Q: How do parents know or find out their child’s student number?
A: A Student Identification # can be found under the students name on Parent Access. For new enrollees it will be on the Parent Access Activation Code letter given to you.

Q: Is there anything that we need to pay at the time of registration?
A: Please make sure that you have placed money in your child’s lunch account. Book fees are sent to families in September with payment due in October. **There will be a separate letter coming home requesting additional fees and an explanation/itemization as to why.**

Q: Is there a way to put the applications online so parents can have it filled out in advance?
A: The yearly registration must be done electronically on-line, so there is no form. The enrollment form (for students new to the school) is online. It can be printed off, completed, and returned to school. You will find the enrollment form on the Cedarville Elementary Website https://cdv.eacs.k12.in.us/students/enrollment_form under “Students”.

Q: Are student pictures taken during Registration at Cedarville Elementary?
A: No, information will be sent home about school pictures scheduled for Tuesday, August 27, 2019.

Q: What supplies should I purchase to start the school year?
A: For returning families, supply lists were sent home on the last day of school. Families that enrolled their child as new for the school year received this information when enrolling. The grade level supply lists can also be found at the Cedarville Elementary website and will be in stores such as Target, Walmart, and Meijer.

Q: When may we bring school supplies to the classroom?
A: There will be a “Meet the Teacher Night” for all students at 6:00 p.m. on Thursday, August 8th. We ask that you wait until this evening to bring school supplies. Teachers are still in the process of organizing their rooms, and may not be set up to receive additional items any earlier.

Q: How do I find out my child's teacher?
A: Finalized teacher and classroom assignments will be posted in the hallway by the office beginning Wednesday, July 31st.

Q: When is the first day of school?
A: Monday, August 12th, is the first day of school for all students.
  o All students shall enter the building by 8:55 a.m., with the tardy bell ringing at 9:05 a.m.
  o The student day begins at 9:00 a.m. **Any student arriving at school later than 9:05 a.m. is considered tardy and an adult must sign the student in at the school office.**
  o There is no adult supervision available at Entrance #16 (car rider door) until 8:40 a.m. **Please do not drop your child off before that time. The door will be locked.**
  o Afternoon dismissal for all students will be at 3:40 p.m. M, T, R, F. Wednesdays are collaboration days and students dismiss at 3:10 p.m.
Q: What do I need to know about bus transportation to and from school?
A: The Transportation Department MUST be contacted directly (260-446-0159) if you are new to the school or if there has been any change in your mode of transportation from last year. You will receive a letter of confirmation from the Transportation Department in late July. Within that letter will be the bus number, bus stop location, and approximate pick-up and drop-off times. To ensure that each classroom teacher has the most up-to-date transportation information, please send a note to the teacher on the first day of school stating how your child will be transported to and from school. Please inform your child’s teacher in writing if there are ever changes in transportation for any time period throughout the year. **Understand that the Transportation Department makes the assumption that ALL students within the Cedarville attendance area would ride a bus and need picked-up. They do not innately know. It is critical that you contact them if your child is self-transported or the information they have at hand is incorrect.**

Q: What do I do if my child is a car rider?
A: Students are dropped-off/dismissed to/from Door #16 on the north side of the building. The easiest comment to make is to just follow the leader, but a map and instructions are included in this memo. There is no adult supervision available at Entrance #16 (car rider door) until 8:40 a.m. Please do not drop your child off before that time. The doors will be locked. Students are to only be dismissed along the sidewalk leading to the building, and not from the parking lot. Further guidelines are fairly lengthy for this purpose, but will be sent in a later communication.

Q: Is there a Back to School Night?
A: We look forward to bringing our families together at our **Meet the Teacher Night** on Thursday, **August 8th (6:00-7:30)**. Our plans are to make this an informal come and go type of evening where students and parents meet the teacher, drop-off school supplies, and learn a bit about what the year will bring. If you have individual concerns, please schedule another time to discuss them with your child’s teacher. Also, be sure to stop by the Media Center to gather more information about after school activities, PTO and to purchase spirit wear.

Q: This will be my child’s first year of school at Cedarville Elementary? How will he/she be able to find the classroom on those first few days?
A: Staff and PTO volunteers are at hand to help direct students those first few days of school. At each of our twelve bus stations are three adults that meet, tag (student name, student address, homeroom, bus #, and bus station), and direct students to various classrooms throughout the building. We have adults within the building that will also assist any car riders. **For the younger students, we still ask that you tag your child’s book bag with the above information, too.**

Q: How do teachers communicate with parents?
A: Teachers will share contact information once school has begun. In addition, teachers send home their weekly newsletter as an e-mail attachment, and will post on their school website. Those without e-mail will receive as a hard copy.

Q: Is there before or after-school daycare?
A: Cedarville Elementary contains a Latchkey Program which is run by the YMCA. Further information can be found at the YMCA website https://www.fwymca.org/programs/child-care-after-school/school-age-child-care/east-allen-county-schools

Q: I would like to attend field trips or help in the building. How do I go about doing that?
A: The first step is to complete a limited background check. This form may be found on our website. It is also sent home (along with others) on the first day of school. Please refer to the Cedarville Elementary Student-Parent Handbook for more information.
CEDARVILLE ELEMENTARY CAR RIDER PROCEDURES

How to fill the Lot for Car Rider Pick Up & Drop Off

Daycare Buses/Vans ONLY (Pick Up)

If you see a car here, that means to stop at the fence.

Once the Playground Has Been Filled as Needed

If you’re the first car, pull up by the tree closest to the doors.

- Cars will enter normally in the drive but once past the fence will begin to form 10 rows of 5 cars (as shown above).

- After ALL 10 lanes are filled, the next car will wait at the fence before refilling lane 1. We are using the parking spaces as our “lanes” with a lane/space between each row as to avoid accidents. This should place around 50 cars in the playground lot.

- Once each lane is emptied, we will refill it as many times as needed. Lanes will be emptied in the order they are filled. If you pull into Lane 1 and there are already cars in Lanes 2-10, your lane will be dismissed AFTER those lanes.

- If available, a staff member will wave you into the lanes for the refill. If no staff member is outside to direct traffic, please follow the pattern as described. We monitor our drop off and pickup with our surveillance system, we know when someone is not following our procedures.

- When your car is anywhere along the sidewalk for drop off or pick up, that is the point where your child should enter or exit the vehicle. Do not try to pull closer to the doors even if there is inclement weather.

5/9/2019
Reminders:

- Dismissal is at 3:40 (Wednesday at 3:10)
- Drop off time is 8:40 (10:40 on two-hour delays)
- Please be courteous to others and wait in your place.
- **For pick up:** Do not come to the office to pick up a child unless you have a prescheduled appointment.
- **For drop off:** Do not leave your car to drop your child off unless the child is tardy and you need to sign them in.
- Please have your number ready and visible to be called.
- Make sure your child is able to get in the car **by themselves** on the **PASSENGER SIDE**. **DO NOT** get out of your car.
- **For pick up:** If your car is along the sidewalk when you pull up, your child will be sent to you.
- **For drop off:** If you are next to the sidewalk, please release your child. **DO NOT** pull up to the door or try to get closer to the entrance to drop off your child. It slows the line down considerably.
- **Pull up closely to the car in front of you** so we don’t make the line longer than necessary, this is for you and your family’s safety! We do not want any cars on State Road 1.
- **FOR THE SAFETY OF EVERYONE - DO NOT PULL AROUND A STOPPED CAR UNLESS YOU HAVE BEEN WAIVED ON BY A STAFF MEMBER! THIS IS IMPERATIVE.**

If you have a child playing on the playground while waiting for pickup, they must return to the car at 3:35 and 3:05 on Wednesdays. We cannot have children running between cars once we have started dismissal. It is the adult’s responsibility to make sure this happens. We are familiar with the forgetfulness of children.

These procedures are in place to get your child in and out of the school safely. When you disregard the procedures, you are putting your convenience above someone else’s safety. Please be a good example for your child and help keep Cedarville Elementary a great place to be!
